A Goal is a Dream with a Deadline.
Why?

Think about it…. **WHY do you want to promote to Team Leader?**
There may be many reasons...list them here:

_____________________________________________________________________________________________
_____________________________________________________________________________________________
_____________________________________________________________________________________________
_____________________________________________________________________________________________
_____________________________________________________________________________________________
_____________________________________________________________________________________________
_____________________________________________________________________________________________

Now, if you could write the story of your business, what would you LOVE to have happen from your business? (Pay off debt, dream home, family vacation(s), quit current job, climb to top of success ladder, afford to greatly give to charity of choice, etc.).

This business CAN have a great impact on your life, and on the lives of your most important people...let yourself dream BIG!

There may be many things...list them here:

_____________________________________________________________________________________________
_____________________________________________________________________________________________
_____________________________________________________________________________________________
_____________________________________________________________________________________________
_____________________________________________________________________________________________
_____________________________________________________________________________________________
_____________________________________________________________________________________________

This is a great topic to discuss with your Team Leader...let them help you to make a plan to achieve Team Leader.
